

(3) Office of Agency Council Staff

The Office of Agency Council Staff (OACS) provides support to the Office of the Administrator. The Office of Agency Council Staff is responsible for providing the necessary support to ensure the overall function of Agency Council governance, to work with Agency organizations to prepare decision packages for Agency-level councils, and to provide the staff work needed to ensure the success of the Executive Council, Senior Management Council, Mission Support Council, and the Program Management Council. Additionally, the Office of Agency Council Staff supports the Agency Baseline Performance Review (BPR) process.
