TO: Officials-in-Charges of Headquarters Offices
Directors, NASA Centers

FROM: Acting Administrator

SUBJECT: Realignment of the Office of Small and Disadvantaged Business
Utilization and the Office of Procurement

Last summer, NASA instituted a transformed organizational structure. The objective was to improve both short-and long-term operations. We stated, at that time, that the transformation was an ongoing process and subject to adjustments as opportunities for further improvements arose. Today I am announcing such an adjustment.

Effective immediately, the Office of Small and Disadvantaged Business Utilization and the Office of Procurement will move from the Office of the Chief Financial Officer to the Office of Institutions and Management.

The Small Business and Procurement functions across the Agency will continue their existing direct relationships with the Assistant Administrator for Small and Disadvantaged Business Utilization and the Assistant Administrator for Procurement respectively. The Deputy Administrator will assume the role of NASA's Chief Acquisition Officer; the Assistant Administrator for Procurement will remain as the Deputy Chief Acquisition Officer.

I appreciate your support as we continue to improve our organization and take advantage of the exciting challenges ahead.
