Office of Safety and Mission Assurance

TO: Deputy Associate Administrator for Mission Support Directorate

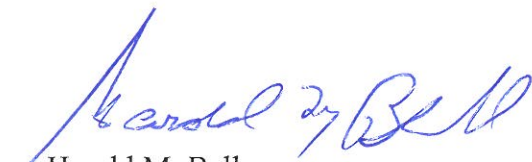

FROM: Deputy Chief, Safety and Mission Assurance

SUBJECT: Request for Waiver to NPR 8705.2, NASA Human-Rating Requirements for Space Systems

The Office of Safety and Mission Assurance requests a third waiver (in accordance with NPR 1400.1) for 60 days to address nonconcurrences in the NASA Online Directives Information System (NODIS) for NPR 8705.2, NASA Human-Rating Requirements for Space Systems. The current date required for the signature package is January 3, 2017. The Office of Safety and Mission Assurance is working with the Human Exploration and Operations Mission Directorate (HEOMD) and Kennedy Space Center (KSC) for a concurrence with the revised document.

To properly address concerns, Safety and Mission Assurance requests additional time to provide the signature package.

We appreciate your organization's support as we work to improve the Safety and Mission Assurance directives.

Harold M. Bell

30-day extension approved: 01/05/2017
Package due: 02/05/2017
