Reply to Attn of:

Office of Safety and Mission Assurance

TO: Deputy Associate Administrator for Mission Support Directorate

FROM: Deputy Chief, Safety and Mission Assurance

SUBJECT: Request for Waiver to NPR 8705.2, NASA Human-Rating Requirements for Space Systems

The Office of Safety and Mission Assurance requests a waiver (in accordance with NPR 1400.1) for 90 days to address a nonconcurrency in the NASA Online Directives Information System (NODIS) for NPR 8705.2, NASA Human-Rating Requirements for Space Systems. The current date required for the signature package is August 5, 2016. The Office of Safety and Mission Assurance is working with the Human Exploration and Operations Mission Directorate (HEOMD) for a concurrence with the document content.

To properly address concerns, Safety and Mission Assurance requests additional time to provide the signature package.

We appreciate your organization's support as we work to improve the Safety and Mission Assurance directives.

Harold M. Bell
